

Waxing, Lash, Brow and Infection Control Skill Set

State ID: IAD97

About this course

Do you have an interest in beauty?

Join our upcoming course to learn how to complete waxing services and lash and brow treatments. You may choose to complete this course as the first stage towards a full beauty qualification

Throughout this course you will learn how to provide waxing services to your client including legs, bikini, underarm and facial waxing. You will also learn the skills required to shape eyebrows and tint eyelashes and brows to meet your clients wants and needs.

You will also learn about sterilisation and applying and maintaining infection control standards within a salon environment.

Join us Mondays and Tuesdays 9.00am - 2.00pm beginning 24 August.
