

# Work Health & Safety Representatives Refresher

State ID: K2001P

## About this course

*Your health and safety is important to us.*

*Spaces are limited in face-to-face classes to adhere to social distancing guidelines. Additional hygiene protocols will be implemented and other controls may apply. Students must follow the directions of the lecturer to ensure the health and safety of all students and teaching staff.*

## Need to brush up on your workplace health and safety knowledge?

This two-day refresher course allows participants to revisit and update skills and knowledge gained during the Intro Training for Work Health and Safety Reps course. Participants will be updated on the essential information required to continue to fulfill their duties as their organisation's elected work health and safety representative.

### Participants will be guided through:

- Recent legislation amendments and how to apply them in the workplace
- Conducting effective investigations into workplace accidents or incidents
- General refresh on the requirements of an elected work health and safety representative

Do you need to complete the full course? Check out our [Introductory Training for Health and Safety Representatives](#) course.
