

# K5008P English as a Second Language

State ID: K5008P

## About this course

### Do you want to improve on your English skills?

Our English as a Second Language classes run weekly and are suitable for migrants and/or those who come from a non-English speaking background, and wish to build on their general English skills in areas such as reading, writing, listening, speaking, computing and employment.

These classes can also help to improve students' International English Language Testing System (IELTS) score through exam preparation.

**Join us on Wednesday evenings from 4 - 8pm!**
