

K5032P Fire Warden

State ID: K5032P

About this course

This course provides participants with the skills to identify, assess and safely confine workplace fire emergency situations.

Participants will learn how to prepare for emergency situations, implement procedures, use initial response equipment, undertake risk management, and safely confine emergencies where possible.

Throughout the course, participants will complete a mix of theory and practical exercises. These exercises will cover various types of emergencies and how to respond, potential hazards, safe use and limitations of emergency control equipment, and methods of extinguishing a fire.

Overview

Semester 2, 2019

Broome Campus - 12 November, 2019

Duration: **1 Day**

When: **Semester 2, 2019**

**North
Regional**

*We're working for
Western Australia.*

How:

Face-to-face classroom delivery
