

52774WA Certificate II in Leadership

National ID: 52774WA | State ID: YT99

About this course

Take the next step in your big leap forward.

The Certificate II in Leadership helps participants progress into further education, training, employment or community work. This course provides a good stepping stone for further studies, progressing into the workplace and becoming actively involved in the community. It also provides participants with employability skills which are applicable to a range of industries and career groups.

Participants will learn how to:

- Organise and complete daily work activities
- Undertake self-development
- Utilise leadership skills
- Work effectively in a team environment
- Communicate effectively

A major component of this course is active participation in a team or community based project. Participants are required to work in a team to undertake a practical project which benefits not only the team or community, but also contributes to their own skill development and achievement.

This course is available at other campus locations upon request.
