National ID: 52769WA | State ID: YU01

About this course

Get prepared for further work and study.

The Certificate I in Gaining Access to Training and Employment (GATE) is a pre-employment program that provides students with skills in communication, numeracy, technology, and career and personal development. This course provides a foundation to assist learners into vocational pathways. It can also be customised for a particular cohort in areas including health, automotive, hospitality and construction.

Jobwise Program

This course is aimed at the development of personal, social and employability skills that can be tailored to include a wide range of industries. It is designed to assist learners to articulate into vocational pathways and to develop the skills and abilities to direct their own development. The course will involve a range of guest speakers and lecturers; covering an array of activities and may be contextualised and customised to suit different learner target groups and focus areas, including:

- Establishing identity (Birth Certificate, Tax File Number, MyGov, Medicare, Proof of Age Card and Debit Bank Card)
- Broadening awareness of educational and career options available
- Enhancing self-confidence and finding new directions
- Developing foundation employability skills

- Developing skills and strategies to manage personal, career and lifelong learning goals
- Keys for Life (learner driver)

This course enhances job-readiness and potential outcomes in community participation and employment and also offers pathways into further education and training at Certificate II and III level.

This course is available at other campus locations upon request.
