**Course Notes:** **Diploma of Early Childhood Education and Care**  
 Course duration may span over more teaching periods (semesters) depending on the training requirements of that course and the number of units of competency a student wishes to enrol in. Some courses will have a number of study plans, depending on the different stages a course being delivered and electives you can choose.  
 Course tuition fees are based on nominal student curriculum hours identified for each course. Under Course packaging rules sometimes a student can make a selection of units of competency that best fits their learning or career requirements. Not every unit of competency has equivalent hours and sometimes vary, therefore the final tuition fee based on the units selected may vary from individual student through their selection of units.  
 This course is delivered as flexible delivery with no fixed start date. The course start date, limitation date and census date are set from the enrolment date. The census date is no less than 20% of the unit duration.  
 Recognition of prior learning(RPL) can provide an opportunity to gain a full or partial qualification through a formal recognition and assessment. The RPL process can allow you to gain credit in units of competency towards a qualification by having your skills and experiences assessed to see if they meet today's industry standards. RPL can save you study time and money.
